THE SECRET BEHIND THE RED LION'S PIZZAS

We believe amazing pizza starts with passion, fresh ingredients, and the perfect bake. That's why we've created a pizza menu inspired by Italian tradition – but crafted with The Red Lion's own twist.

Whether you're a classic Margherita fan or a fiery Inferno lover, every pizza is served with quality, care, and flavour in every bite.

AUTHENTIC FLAVOUR, EVERY TIME

Our Pizzas are topped with bold, fresh ingredients – from San Marzano-style tomato bases to creamy mozzarella, spicy nduja, truffle oil, and more.

Each pizza is baked at high heat to achieve that beautifully crisp base with bubbling, golden edges – just like you'd find in Italy.

GLUTEN-FREE? VEGAN? WE'VE GOT YOU.

We offer **gluten-free pizza bases** and **plant-based toppings** across a range of our menu, so no one misses out on the pizza experience.

FRESHLY MADE TO ORDER

Every pizza is hand-finished and made to order by our kitchen team using locally sourced ingredients wherever possible. No shortcuts – just real food done well.

NOT JUST FOR THE WEEKEND

Join us **Tuesday to Saturday from 6PM–9PM** for our new **Pizza Nights** – made fresh, served hot, and best enjoyed with friends, family, and a pint of something good. And don't worry – we're still serving our **famous Sunday Roasts** every weekend.
